

EXTENSIONS OF REMARKS

HONORING THOMAS SAMUEL STEPHENS

HON. SAM GRAVES

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 4, 2011

Mr. GRAVES of Missouri. Mr. Speaker, I proudly pause to recognize the life of Thomas Samuel Stephens of Cameron, Missouri. Thomas' achievements and service, both to his country and his community, were great and we are indebted to him for his sacrifices.

Mr. Speaker, Thomas Samuel Stephens was born on June 8, 1918, in Temple, Texas, to his parents, Lessie and Rufus Stephens. On January 14, 1944, Thomas had the fortune of marrying the love of his life, Euclid Elizabeth Stockton, at their church in Temple, Texas. Together they raised one daughter, Patti Jane. Thomas passed away on December 2, 2010, in Kansas City, Missouri.

Mr. Speaker, Thomas was a true patriot. He served in the 80th Infantry Division, 3rd Army, 319 Regiment C Company, 4th Platoon under General George Patton from August 26, 1943 to March 29, 1946. He received the Purple Heart, EAME Campaign Medal with one Bronze Service Star, an American Theatre Campaign Medal and a Victory Medal, as well as a Sharpshooter and Rifle pin.

Mr. Speaker, after being honorably discharged, Thomas received his Masters Degree and taught at the University of Texas A&M in the Horticulture Department from 1948–1953. Thomas then spent the rest of his career working for the United States Department of Agriculture's Agriculture Research Service, actively engaging in food and food storage research that is used in the food products we enjoy in every grocery store today.

Mr. Speaker, in addition to Thomas' patriotism and contributions to agriculture in the United States, Thomas also had a passion of enjoying God's world by fishing, campaigning and planting trees. Thomas was active in his church and enjoyed singing, having been a part of the first group of Singing Cadets at Texas A&M. Thomas deeply loved his family.

Mr. Speaker, I ask that you join me in honoring the life of Thomas Samuel Stephens. I am truly grateful for his service to our country and his contributions to agriculture.

IN RECOGNITION OF MARCUS HIGH SCHOOL FOR WINNING THE BOYS BASKETBALL 5A UIL STATE CHAMPIONSHIP

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 4, 2011

Mr. BURGESS. Mr. Speaker, I rise today to recognize Marcus High School in Flower Mound, Texas. The Marcus varsity boys' basketball team won the 5A UIL State Champion-

ship. The Marcus Marauders beat Garland Lakeview, 40–38, in the final to finish the season 39–1. Led by Head Coach Danny Henderson, these young men are exemplary representatives of their school and should be very proud of what they have accomplished.

This is not the first time I have had the pleasure of highlighting the accomplishments of Marcus High School, and I have a sneaking suspicion that it will not be the last. With the level of teamwork and perseverance that is present in this North Texas high school, it is no wonder that they are an "Exemplary Campus".

It is inspiring to recognize such ambitious young student athletes who are making a positive impact in our community. I am pleased to have the opportunity to represent these young men, and their classmates and teachers in the U.S. House of Representatives. Congratulations on being the 5A UIL Boys Basketball State Champions.

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 4, 2011

Mr. SESSIONS. Mr. Speaker, I rise today to recognize Lois Gerage-Lamb, a dedicated educator at Lakewood Elementary in Dallas, Texas who is retiring this year.

After moving to Lakewood in the early 1980s, Lois joined the staff at Lakewood Elementary in 1987. Her twenty-four years of service speak loudly of her patience, dedication, and passion for teaching. Both of my sons, Bill and Alex, had the privilege of having Lois as their teacher. Her commitment to providing students with a quality education was evident in her work ethic and enthusiasm. Known for her upbeat personality and "can-do" philosophy, Lois has instilled confidence in her students and inspired them to reach for their dreams.

Outside of the classroom, Lois is a well-known community leader. She currently serves as the President of Little People of America, Inc. (LPA), a national advocacy and support group for dwarfs and their families. In this capacity, she has overseen the 6,000 member organization and works tirelessly to raise awareness. Lois is a demonstrated leader with tremendous strength and great fervor and compassion.

She will be greatly missed at Lakewood Elementary. I am thankful for dedicated educators like Lois and for the positive impact they have on our children. Mr. Speaker, I ask my esteemed colleagues to join me in recognizing Lois for her service. I wish her all the best in her future endeavors.

REPEALING MANDATORY FUNDING FOR STATE HEALTH INSURANCE EXCHANGES

SPEECH OF

HON. JANICE D. SCHAKOWSKY

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 3, 2011

The House in Committee of the Whole House on the State of the Union had under consideration the bill (H.R. 1213) to repeal mandatory funding provided to States in the Patient Protection and Affordable Care Act to establish American Health Benefit Exchanges:

Ms. SCHAKOWSKY. Mr. Chair, I rise in opposition to H.R. 1213.

This bill would eliminate funding for a key component of the Affordable Care Act's coverage expansion—the State-based health insurance Exchanges.

The Exchanges are the chief vehicle through which we will give millions of individuals and small businesses—currently locked out of the market—access to affordable coverage.

The Affordable Care Act provides each State with the flexibility to design its own Exchange—tailored to meet the needs of its residents, strengthen the private insurance market, and provide consumer protections.

• This "bullet" symbol identifies statements or insertions which are not spoken by a Member of the Senate on the floor.

Matter set in this typeface indicates words inserted or appended, rather than spoken, by a Member of the House on the floor.

This bill repeals the funding for the Exchanges and eliminates that flexibility.

Repeal would deny Illinois and every other State the funding needed to setup a unique State solution for improving and fixing broken insurance markets.

This bill undermines the work already being done in Illinois and, given the State budget situation, will likely mean Illinois would be unable to run its own State-based health insurance Exchange.

In September, Illinois received a \$1 million grant to begin planning and establishing its Exchange.

Without funding to move to implementation, we won't have the resources to get our Exchange up and running and millions of Illinoisans will lose access to affordable, adequate health insurance coverage.

HONORING THE LIFE OF MAYOR
DEBORAH DUNCAN DuBOIS

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, May 4, 2011

Mr. HASTINGS of Florida. Mr. Speaker, I rise today to commemorate the life of Deborah Duncan DuBois, who passed away on April 30, 2011. Mrs. DuBois, known to family, friends and admirers as "Desca," was serving her second term as Mayor of the Town of Lake Park, Florida at the time of her death, having been re-elected without opposition. Mayor DuBois loved her town and Lake Park citizens loved her. Her dedication to good government was made clear by her longtime service on the town's Code Compliance Board, including six years as its chair, and her work with the Florida League of Cities. She also served on the League of Mayors and as one of the Palm Beach County League's Legislative Voting Delegates. Lake Park residents are also indebted to Mayor DuBois for helping to establish the local Historical Society, serving as its volunteer President for several years.

A native of Barnwell, South Carolina, Desca DuBois attended the University of South Carolina on a theater scholarship. She also studied at the Columbia Museum School and, most recently, attended Palm Beach Community College, where she was accepted to the Honor Society. Mayor DuBois was a professor at the prestigious American Academy of Dramatic Arts in New York City, where she taught stage and theatrical movement. During her career, she also worked with the Educational TV Network in South Carolina and appeared on CBS Network Morning News.

Among her many talents, she was known as an accomplished artist, having presented a dozen solo art exhibits and participated in 34 group art shows. She was proud to have individual mural and major group mural projects in her curriculum vitae.

Mr. Speaker, Deborah Duncan DuBois was a truly remarkable lady who represented everything that is great about America. She was a credit to her town, my district and our nation. Her absence will be felt by everyone who appreciates good government, the arts and devotion to making our world a better place.

REPEALING MANDATORY FUNDING
FOR SCHOOL HEALTH CENTER
CONSTRUCTION

SPEECH OF

HON. EARL BLUMENAUER

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, May 3, 2011

The House in Committee of the Whole House on the State of the Union had under consideration the bill (H.R. 1214) to repeal mandatory funding for school-based health center construction:

Mr. BLUMENAUER. Mr. Chair, I voted against H.R. 1214, which would repeal the grants for the construction and expansion of school-based health centers. The Affordable Care Act included funding to expand school-based health programs across America so that we can provide better care for our children. Students who are healthy are ready to learn.

School-based health centers provide our children with quality, comprehensive care that includes mental health services, social services and preventative care. A survey conducted by the National Assembly on School-Based Health Care found that when properly funded, school-based health centers help fill the gap in access to health services, especially for rural and underserved populations.

These centers are accountable to their communities through an advisory board made up of local representatives, family organizations and parents. These programs bring health care to our kids and provide service without concern for whether or not they can afford it.

In my state of Oregon, we are part of the School Mental Health Capacity Building Partnership to examine and improve mental health programs to be used in school-based health centers. As an early-adopter state for these centers, Oregon was selected to be one of four states to lead the way on this research. This important work, focused on tailoring mental health care to better meet our children and youths needs, relies on the school-based health center funding and will be jeopardized by this legislation.

H.R. 1214 would prevent us from investing in our children and driving down future health care costs. At the start of this Congress, the only alternative the Republicans offered to the Affordable Care Act was a repeal-and-do-not-replace approach that is irresponsible at best.

The Affordable Care Act is not perfect, but Congress should be focused on implementing the Act, and refining—not repealing—its provisions. I oppose this legislation.
